CONSTITUTION.

CONSTITUTION.

ARTICLE I.

This Society, incorporated for literary purposes and mutual improvement, shall be called the "QUEEN CITY CLUB," and shall consist of such stockholders as shall be elected members according to the Constitution, and of temporary members as hereinafter provided.

ARTICLE II.

GOVERNING COMMITTEE.

SECTION 1. All the concerns of the Corporation shall be managed by a Committee of fifteen Governors; and the first Governors shall be elected at the meeting of the Club first called for organization. They shall be elected by the subscribers to the capital stock of the Club, thereby becoming members of the same. When so elected they shall constitute the sole membership, and shall then have the whole power to elect the other members of said Club, as hereinafter provided for the election of members, save as to the original subscribers to the Club fund, who shall be eligible to membership without the formality of being otherwise proposed. This committee shall annually elect a President, Vice-President, from their number, and a Treasurer and Secretary. The Treasurer and Secretary, in

the discharge of their duties, shall be subject to the immediate control of the Governing Committee. All vacancies occurring in the committee shall be filled by the remaining members thereof, a majority of whom shall be a quorum for that or any other purpose. Every member of the Governing Committee must be the holder of at least one share of stock; and any member of the committee may be removed therefrom by a vote of three-fourths of the whole committee. Any member of the Governing Committee absenting himself without leave from three consecutive regular meetings of the committee shall forfeit his position of Governor. The vacancy so caused shall be filled by the remaining members of the committee, and the said absentee notified thereof by the Secretary. This rule shall not apply to the President.

The President shall, at least thirty (30) days prior to the annual election, appoint a committee of five (5) members, whose duty it shall be to nominate ten (10) candidates, whose names shall be listed in alphabetical order, to fill the five (5) vacancies about to occur in the Governing Committee; and the names of the persons so nominated shall be posted on the bulletin board at least fifteen (15) days before said election, and the five (5) candidates receiving the highest number of votes at the election, shall fill the vacancies in the Governing Committee. Any member may nominate other candidates for

the same offices, but the names of all persons to be voted for at said annual election shall be posted on said bulletin board at least ten (10) days prior to said election.

SEC. 2. The term of office of one-third of this committee shall expire on the third Thursday of January, and so yearly afterward, the retiring members being determined by lot.

PRESIDENT.

The President of the Club, or, in his absence, the Vice-President, shall authorize the call of special meetings of the Board of Governors, or of meetings of the Club, and exercise the usual functions of a presiding officer.

SECRETARY.

The Secretary of the Club shall notify each member of the Board of Governors of every meeting of the Board, and each member of the Club of every meeting of the Club; he shall issue notices to members; make and keep a true record of the proceedings of all meetings of the Board of Governors and of the Club; have custody of the Constitution, By-Laws, and records of the Club, and conduct its correspondence.

TREASURER.

The Treasurer of the Club shall be charged with the collection and custody of the funds of the Club; keep a regular account thereof, and submit a monthly report

of its financial condition at each general or stated meeting of the Board of Governors. He shall also report and submit, at each annual meeting, the financial condition of the Club, the number of resident members, the name of delinquents, and the amount due by each. He shall give bond in such sum as may be determined by the Governing Committee.

DIRECTORS.

At the annual meeting of the Club, as hereinafter provided, there shall be elected three Directors, in whom shall be vested the title to all the corporate property of the Club, both real and personal. There shall also at the same time be elected a Clerk.

ARTICLE III.

VALUE AND TRANSFER OF STOCK

The stock shall be divided into shares of \$250 each, for which certificates shall be issued, signed by the Treasurer, and countersigned by the Secretary. This stock shall be deemed personal property, and may be transferred on the condition that the preference of purchasing said stock shall be given to the Corporation at its par value. If not so purchased by the Corporation no assignee of said stock shall be entitled to the privileges of membership, or to vote at the meetings of the Corporation, or in any way or manner undertake to

control or to interfere with its affairs, unless he has been regularly elected a member of the Club, in the manner prescribed in this Constitution. Each member of the Corporation shall be entitled, at its meetings, to a vote, except as to the purchase and transfer of real estate, when each member shall be entitled to one vote for every share of stock held by him.

ARTICLE IV.

ELECTION OF MEMBERS.

The membership of the Club shall be limited to three hundred and fifty. Every member shall be elected by the Governing Committee by ballot. Every candidate for admission after present subscription list, must be proposed by one member and seconded by another, other than members of the Governing Committee, and must be at least twenty-one years of age, and of good moral character. His name and residence, and the names of his proposer and seconder, shall be inserted before the balloting for such candidate, in a book, the names of such proposer and seconder being in their respective handwriting, or in the handwriting of the Secretary; and the name of such candidate, with the names of his proposer and seconder, shall be put in a conspicuous place in the Club House at least seven days before balloting for him. Three dissenting votes shall, in any event, exclude such candidate. All votes, conversation

and debates on the subjects of admissions, exclusions, and expulsions, and the substance or result thereof, shall be kept by each member of the Board in secrecy.

ARTICLE V.

ANNUAL SUBSCRIPTION AND ENTRANCE FEE.

The annual subscription for resident members, after January 1st, 1893, shall be seventy-five (75) dollars per annum, and for non-resident members, thirty (30) dollars per annum, payable semi-annually—subject to an increase or decrease at discretion of the Governing Committee. An entrance fee may also be required from all new members after such date as the Governors may decide on. Upon the stock held by each member of the Corporation there shall be paid interest at the rate of six per cent. per annum, in the way of credit to said member upon his annual dues; but in no case shall any member receive, by way of interest, more than the amount arising from the ownership of one share of stock, though said member may be the owner of more than that number, save such members as stand on the books of the Corporation on the 10th day of April, 1878, as owners of more than one share, and as to such members they shall be entitled to all rights by them acquired by virtue of original Article five (5) of the Constitution of the Club.

ARTICLE VI.

NOTICE OF ELECTION.

On the election of each new member the Secretary shall forthwith notify him of the same, furnish him with a copy of the Constitution of the Club, and request him to pay to the Treasurer the amount of his entrance fee (if one shall have been prescribed), and semi-annual subscription, and subscribe the Constitution. Every person elected shall, within thirty days after being informed thereof by the Secretary, pay to the Treasurer his entrance fee and first semi-annual subscription, and sign the Constitution, and shall then, and not otherwise, be a member of the Club; and in case he shall fail so to do, his election shall be void.

ARTICLE VII.

CASES OF NON-PAYMENT.

The name of every member failing to pay his dues within one month after the same become due shall be placed in the frame provided for notices, of which the Treasurer shall inform him in writing; and if the said dues are not paid within thirty days thereafter he shall cease to be a member of the Club, unless he can show satisfactory reasons for the non-payment thereof to the Governing Committee, and his name shall be erased

from the books accordingly. The Club shall have a lien on the stock of subscribers for unpaid dues and supplies.

ARTICLE VIII.

HOUSE COMMITTEE.

The President of the Club shall, on the first day of each month, appoint three members of the Governing Committee, whose duty it shall be to exercise control and supervision, in the broadest sense of these terms, over the management and control of the Club House. The names of this Committee shall be posted in the Club House.

ARTICLE IX.

TEMPORARY MEMBERS.

Non-residents of Hamilton County, Ohio, and Kenton and Campbell Counties, Ky., may be admitted as contributing members, upon payment of the annual subscription provided for non-resident members; provided, that they shall be proposed and elected in accordance with the requirements of Article IV; and provided, that should such contributing members become residents of Hamilton County, Ohio, or Kenton and Campbell Counties, Ky., they shall cease to be members until they shall qualify themselves as stockholders. Such contributing members shall be entitled to all privileges accorded to regular members, except that of voting.

ARTICLE X.

VISITORS.

Any member shall have the privilege of introducing to the Club on his own responsibility, a stranger (provided the residence of such stranger is more than fifty miles from the city of Cincinnati, and that he shall not be engaged in business therein), for a period of two weeks, upon registering his name and obtaining a card for him signed by the Secretary. This time may be extended for two weeks, or longer, at the discretion of the President or one of the House Committee. In event of strangers so invited failing to settle their accounts, the members introducing them shall become liable for the amount of their indebtedness.

ARTICLE XI.

ANNUAL MEETING.

There shall be a general annual meeting of the Club on the third Thursday in January for the purpose of hearing the official reports of the past year and filling the vacancies by election in the Governing Committee, at which, and at all other meetings, the permanent members, actually present, shall each be entitled to one vote, and fifty shall constitute a quorum, except on questions relating to real estate, when each share of

stock shall be entitled to a vote, and a majority of stock must be represented in person or by proxy. Special meetings may be called at any time at the request of ten members of the Club, or seven members of the Governing Committee; and in all cases the object of the meeting must be stated in the notices sent to the members of the same.

ARTICLE XII.

RIGHTS AND DUTIES OF MEMBERS.

SEC. 1. Complaints or suggestions as to the management of the Club must be addressed to the House Committee in writing, and, if not acted on, may be brought before the Governing Committee for consideration at its next meeting.

SEC. 2. No member shall take any property whatever belonging to the Club from the Club House, except on authority of a resolution of the Board of Governors.

SEC. 3. No games shall be played on Sunday; nor shall any games, of any kind or description, for money, be allowed in the Club House.

SEC. 4. All resignations shall be in writing, addressed to the Secretary. No member can resign while indebted to the Club.

SEC. 5. No member or visitor shall give any gratuity to an employe of the Club.

SEC. 6. The Board of Governors shall have power to suspend from the privileges of the Club, or to expel any member whose conduct shall be pronounced by a vote of a majority of the Board to have endangered the welfare, interest or character of the Club.

SEC. 7. All rights and interests of a member in the property and privileges of the Club shall cease with the termination of his membership—excepting his interest as a stockholder.

SEC. 8. Subscription papers shall not be exposed or circulated in the Club House.

ARTICLE XIII.

RULES AND REGULATIONS.
